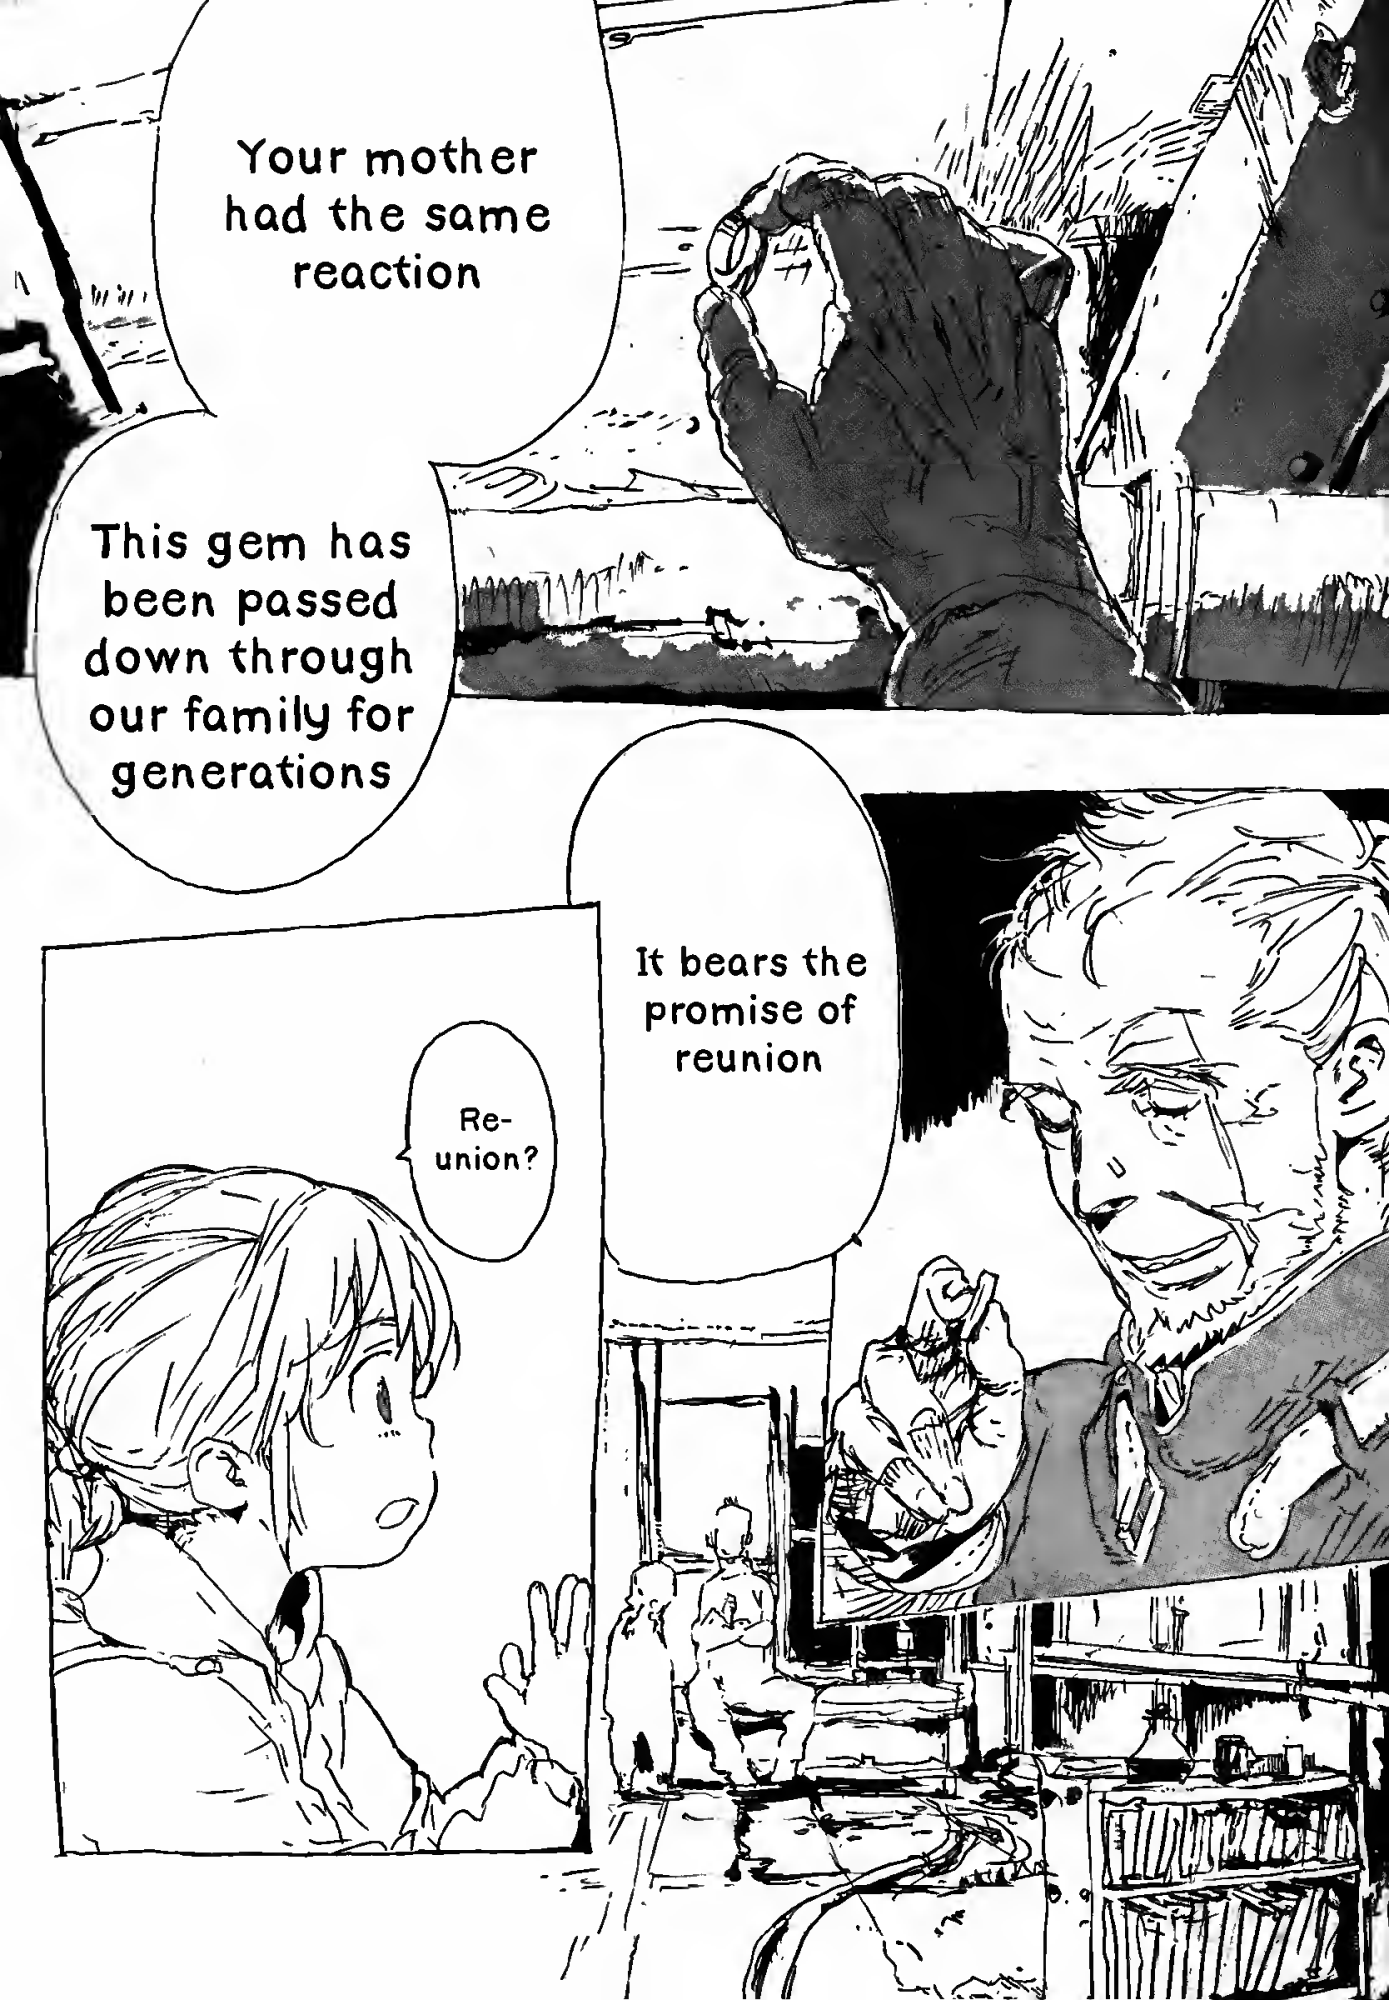
When they're together, they float.
ペキ!
but when you separate them---
This is made from two different parts
Wah
ヒュッ!!
Ah!!

カラン
カラン
Hahaha, it is amazing, isn't it?
Whoa, grampa!! That's so amazing!!!



Your mother had the same reaction
This gem has been passed down through our family for generations
It bears the promise of reunion
Re-union?

The promise of reuniting with lost ones in the other world
.....Mikko.....!
Hah!
Mikko—!!!
Wake up already
'kay~
You're still asleep, huh!!

My name is Mikko. I'm 14 years old---
okay
okay
okay
Hurry
Come on
My parents died before I even understood what death is, and my grampa, who raised me, died five years ago
Sorry---
Right now, "Big Sister" (actually a longtime friend) is raising me
eek

We have work today, you know
So slow!!
Sorry
Big Sister is one of the settlement's few sources of entertainment— a "naked dancer"
Why are you already stripping?

Yeah...
...You were exploring again, huh
甘爪はげてる…
The other world, huh... The chief is going to get angry at you again, 'cause there's lots of dangerous places
Those magical words still captivate me
The "other world" that grampa talked about—
ゴ…

Oof
This world is made from an endless network of tunnels
There are lots of tunnels that have never been explored
So narrow

in this amazing world that knows no bounds
!
Woah—

Well, I guess it's because your grampa was a braggart
brag-gart...!
カキン
It's done—
Oh, that's pretty!
Well—
you also want to see
the unknown world,
right?
.....

Yeah!
I'll keep on exploring
You should wear something on your way there
Here I go!!
Preparations complete!! Let's rock!
You look so cool, Big Sister!
ビッ!
What's the "other world"...? Mikko's adventure starts for real in the next chapter!!
